SUMMARY

B.Tech graduate in Computer Science with a solid foundation in Java and web technologies. Completed multiple internships in full-stack development, gaining experience in front-end and back-end technologies. Passionate about applying technical skills in real-world projects and eager to contribute to innovative IT solutions. Seeking an entry-level role to grow and make a meaningful impact.

INTERNSHIPS

Java Full Stack Development Intern
Kodnest, Bengaluru │ June 2024 - Present

- Currently training in Java full-stack development, covering both front-end (HTML, CSS, JavaScript, React) and back-end (Java, Spring Boot, MySQL) technologies.

Full Stack Development Intern (Virtual)
Smartbridge, India │ December 2023 - April 2024

- Created a responsive e-commerce site using HTML, CSS, and JavaScript

Data Analytics Intern (Virtual)
SmartInternz, India │ June 2023 - August 2023

- Participated in a project focused on estimating and predicting hospitalization and medical care costs.
- Created a small website using HTML and generated analytical reports using IBM Cognos.

EDUCATION

Bachelor of Technology in Computer Science and Engineering   **2020-2024**

- Sri Venkateshwara Institute of Technology, Anantapur, Andhra Pradesh
- Percentage: 80.13%

Class XII   **2018-2020**

Sri Vivekananda Junior Kalasala, Anantapur, Andhra Pradesh
- Percentage: 87.5%

Class X   **2017-2018**

AP Model School, Settur, Anantapur, Andhra Pradesh
- Percentage: 90.25%

PROJECTS

Number Plate Recognition Using OpenCV (PYTHON)　　　**January 2024 - May 2024**

- Developed a system to recognize characters on number plates through techniques such as image preprocessing, object detection, and character segmentation.
- Utilized a camera for image capture and applied algorithms to interpret and extract readable characters.

E-commerce Website Using Frontend Technologies　　　**June 2023 - August 2023**

- Contributed as a team member in building an e-commerce website using HTML, CSS, and JavaScript for the front end.

SKILLS

- **Programming Languages**　**:** Java, OOP concepts , Jdbc, Hibernate, Spring
- **Web Technologies**　**:** HTML, CSS, JavaScript, React
- **Database**　**:** SQL
- **Operating System**　**:** Windows
- **General Skills**　**:** Flexibility, adaptability, self-motivation, honesty, communication

CERTIFICATIONS
